

## **Central Maine Power Company Process for Amending Business Practices**

### **I. Process**

In the event that Central Maine Power Company updates any of its posted Business Practices, either for Schedule 21 or Schedule 20A services, the following process for stakeholder review and input shall be followed:

- A redlined document containing proposed change(s) to the Business Practices shall be available for downloading from the “Proposed Changes to Business Practices” table.
  - The “Proposed Changes to Business Practices” table will indicate the date that the document was posted.
- Interested parties must forward comments no later than 30 days from the date posted.
- The Company will review all comments, develop a final draft and repost on the “Revised Practices” table.
- The Revised Business Practice will become effective 30 days after being posted, after which, the Business Practices document shall be updated with the revisions.

### **II. Contact**

- Forward comments by e-mail to:
  - [velma.whittier@cmpco.com](mailto:velma.whittier@cmpco.com)
- Or by mail to:
  - Velma Whittier
  - Central Maine Power Company
  - Edison Drive
  - Augusta, ME 04336

### **III. Tables**

**NOTE: The May 11, 2011 proposed Business Practice for Schedule 20A – while the document linked below appears to have extensive edits, there are no new Business Practices. It is simply a cleanup to eliminate provisions that are duplicative of current Schedule 20A provisions and are being consolidated to a Schedule 20A Common approach.**
