

When you meet with the CAP Agency, you will need to provide them with items such as:

- Proof of your household income
- The number of family members in your household
- The purchase price and total project costs of your new residence

CMP is providing this Assistance Credit Program to help our low and moderate income customers.

Who do you call?

CMP's Assistance Credit Program may help with the costs of your electric service installation, so call your CAP Agency today.

CAP Agencies serving CMP's service territory are listed here.
