SPECIAL CONDITIONS continued

2. Military Veterans' Organizations

A military veterans organization qualified under the federal Internal Revenue Code of 1986, 26 United States Code, Section 501(c)(19), as amended, may request that electric delivery service to its facility be billed under the residential rates described in this rate schedule. The military veterans' organization must be billed directly for electric delivery service provided by the Company. A trust or foundation for a post or organization of past or present members of said military veterans' organization is not eligible for service under this electric delivery rate schedule.

This provision expires effective October 1, 2027. Upon expiration, the Company will place the customer on the non-residential rate that matches the customer's usage characteristics for the previous 12 months.
