Qualification of Contractor Form

(Use for Overhead Lights Only)

Date _____

Town/City Name _____

RE: Qualification of Contractor as Outlined in TC53

Dear Customer:

Please complete the information below and return to OutdoorLighting@cmpco.com.

Thank you,

Name of Contractor _____

Below are the minimum qualifications, as outlined in Section 53.4(B) of the Terms and Conditions, Municipal Ownership of Streetlights, for contractors to be performing any work on company poles.

By checking each box and signing below you are confirming that the town/city named above has certified the contractor meets these qualifications.

- ☐ Must hold a current Maine electrician's license
- ☐ Working appropriately under license (Master electrician or Journeyman working for a Master electrician)
- ☐ Meet OSHA (1910.269) standards
- ☐ Have training: Maine High Voltage Safety Act (OSHA 1910.269)
 - By checking this box the municipality is confirming the contractor has read and understood the Act located under MRS Title 35-A, Chapter 7-A satisfying this requirement.
<https://www.mainelegislature.org/legis/statutes/35-a/title35-Ach7-A.pdf>
- ☐ Trained and certified under NFPA 70E

Central Maine Power will review and acknowledge receipt of this form. This acknowledgment will serve as approval for the contractor to facilitate the installation and maintenance of the Company approved fuse link. All other work performed on municipal owned streetlights must be performed by a contractor, or employee of the municipality, that meets the minimum qualifications for working on streetlights as listed above.
